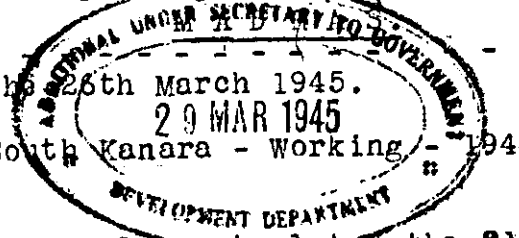
FOREST DEPARTMENT.

20165 c/45 23.3.45

From
W.G. Dyson Esq., I.F.S.,
Chief Conservator of Forests,
Egmore, Madras.

To
The Secretary to Government,
Development Department,



Ref.No.1700/45-C.2, dated the 26th March 1945.

Sir,

Subject:- Forest Concessions - South Kanara - Working - 1944 - Report submitted.

With reference to G.O.No.1054 Ms. Development, dated the 31st August 1933, I submit the following report on the special forest concessions allowed in the South Kanara District during 1944.

The working of the concessions, including those sanctioned in 1938; vide G.O.No.1211 Ms. Development dated the 10th May 1938, has been satisfactory. A list of coupes to be closed to concessions on silvicultural grounds and to be thrown open to concessions is enclosed.

The two Reserved Forests, Kalanjimale and Veerakambha referred to in para 2 of G.O.No.Ms.2559, Development dated the 13th June 1944, have been closed to all the concessions, since 1st April 1939 and 1st April 1941 respectively. The District Forest Officer states that the abuse in these two Reserved Forests is not such as to justify their continued closure. An analysis of the forest offences committed in them is enclosed. Most of them would not have been offences if the Reserved Forests had been open to the concessions. I recommend that they may be thrown open to the concessions for a year from 1st April 1945 and the results watched.

For CHIEF CONSERVATOR OF FORESTS.
